[INSERT CAREER SUMMARY]

TECHNICAL SKILLS

Frontend: HTML5, CSS, JQuery, Javascript, Bootstrap, AJAX

Backend: MySQL, MongoDB, Express, ReactJS, Node, Handlebars

PROJECTS

Emergence | https://github.com/AWSiegfried/Emergence_v1 | https://awsiegfried.github.io/Emergence_v1/

Front end development

- Emergence is the solution to finding new local emerging artists by city.

- It aggregates data from various sources and creates a user friendly data-centric overview that gives the user a complete perspective of a band in under 30 seconds. I assisted with the color scheme and design of the site.

- HTML, JavaScript, JQuery, CSS, Bootstrap,Spotify & YouTube APIs, JSCharting, Google Fonts

The Quarantine Game | https://github.com/ttngu/QuarantineGame | https://gentle-cliffs-28390.herokuapp.com/

Front end development

- A card game people can play virtually to provide a little bit of joy during the pandemic.

- The Quarantine Game provides an outlet for people who want to come together with friends to have a fun game night while also practicing social distancing. I assisted with the overall design of the game, including color scheme and avatar choices. I also took ownership of the developer page.

- HTML, JavaScript, CSS, Bootstrap, AJAX

Self Care Pirates | https://github.com/ShanniSnax/self-care-pirates|
https://aqueous-refuge-56122.herokuapp.com/

Front end development

- Self Care Pirates is a wholisting self-care forum for males that gives the users motivation to care for themselves by providing knowledge through fast and reliable resources.

- This app enables men to be proactive about their personal care by connecting with others on a self-care forum. I worked on the front-end design and the 'Our Story' page.

- Tools/Languages: React, CSS, Bootstrap, Json Web Token (JWT), Axios, AWS

WORK EXPERIENCE

Native America Today
July 2019- October 2020

Co-Editor
　　　　Los Angeles, CA

- Managed a WordPress site, making regular posts and changes.

- Worked closely with the editor to make decisions about which breaking news and lead stories to post, also heavily assisted with editing and image selection.

- Maintained the overall site and communicated with the developer on any issues.

Nanny
July 2019- October 2020

    Los Angeles, CA

- Cooked and prepared healthy meals.

- Scheduled playdates and communicated with other parents to decide on meetup times, etc..

Urban Outfitters
November 2012 - December 2018

Senior Sales Associate

    Los Angeles, CA

- Leading a team of 10-15 associates to achieve sales goals and maintain store standards in the absence of managers.

- Motivating new hires and teaching them about the brand, while providing ongoing encouragement after the standard training period is over.

- Working closely with the store merchandiser and ensuring that product is displayed in the right place and correct quantities.
